

### Educational Book for the Fourth Congress of the European Haematology Association, held in Barcelona, Spain, on June 9-12, 1999

The editorial office has been contacted by many readers who have found the enclosed references<sup>1-36</sup> in Medline PubMed database (<http://www.ncbi.nlm.nih.gov/entrez/query.fcgi?db=PubMed>), but cannot find them in our web site. These papers belong to the Educational Book for the *Fourth Congress of the European Hematology Association*, held in Barcelona, Spain, on June 9-12, 1999, and were published by this journal as *Haematologica 1999; 84(EHA-4 Educational Book)*. They can be downloaded at our web site (<http://www.haematologica.it>) by clicking first on the Supplements button and then on Educational Book and Abstract Book for the Fourth Congress of the European Haematology Association link.
