ERRATUM (doi:10.3324/haematol.13879)

The Haematologica Production Office erroneously double-published the article entitled "Similar hypercoagulable state and thrombosis risk in type I and type III protein S-deficient individuals from mixed type I/III families" by Castoldi E, Maurissen LF, Tormene D, Spiezia L, Gavasso S, Radu C, Hackeng TM, Rosing J, Simioni P. *Haematologica*. 2010 Apr 7. [Epub ahead of print] with doi:10.3324/haematol.2009.021923. This article (10.3324/haematol.2009.021923) must therefore be considered as retracted, as the correct version of the same article has been correctly published on April 26th, 2010, with doi:10.3324/haematol.2010.021923.

Haematologica sincerely apologizes to the authors and the readers for this mistake.
