

**Manuscript no. HAEMATOLOGICA entitled "Post thrombotic syndrome in children: a systematic review of frequency of occurrence, validity of outcome measures, and prognostic factors"**

**Authors: Neil A Goldenberg, Marco P Donadini, Susan R Kahn, Mark Crowther, Gili Kenet, Ulrike Nowak-Gottl and Marilyn J Manco-Johnson**

**Information about the contributions of each person named as having participated in the study**

**1) Guarantor(s)**, i.e., person(s) who is (are) responsible for the integrity of the work as a whole:  
• Neil A Goldenberg, University of Colorado Denver, Hemophilia and Thrombosis Center, Neil.goldenberg@cpcmed.org

According to the International Committee of Medical Journal Editors (ICMJE) ([http://www.icmje.org/ethical\\_1author.html](http://www.icmje.org/ethical_1author.html)): "Authorship credit should be based on: 1) substantial contributions to conception and design, acquisition of data, or analysis and interpretation of data; 2) drafting the article or revising it critically for important intellectual content; and 3) final approval of the version to be published. Authors should meet conditions 1, 2, and 3 ..... Acquisition of funding, collection of data, or general supervision of the research group alone does not constitute authorship".

The guarantors of this manuscript confirm that all persons designated as authors qualify for authorship, and that each author has participated sufficiently in the work to take public responsibility for appropriate portions of the content.

2) Authors who participated in the **conception of the study**: Neil A Goldenberg, University of Colorado Denver, Hemophilia and Thrombosis Center, Neil.goldenberg@cpcmed.org

3) **Design & Methods**. The following authors were responsible for specific investigations (please detail):

- Neil Goldenberg was responsible for design of the literature search and analysis

4) **Results**. The following authors were responsible for specific portions of the results, including figures and tables (please indicate the person responsible for each figure and each table):

- Marco P Donadini and Neil Goldenberg were responsible for all tables and figures
- Neil A Goldenberg, Marco P Donadini, Susan R Kahn, Mark Crowther, Gili Kenet, Ulrike Nowak-Gottl and Marilyn J Manco-Johnson were responsible for interpretation of results.

5) **Writing the manuscript**. The following authors were responsible for writing the manuscript:

- Marco P Donadini and Neil Goldenberg were responsible for initial draft
- Neil A Goldenberg, Marco P Donadini, Susan R Kahn, Mark Crowther, Gili Kenet, Ulrike Nowak-Gottl and Marilyn J Manco-Johnson were responsible for revisions and approval of the final draft

6) **Contributors Listed in Acknowledgments**: (Examples of those who might be acknowledged include a person who provided purely technical help, writing assistance, or a department chair who provided only general support. Corresponding authors must declare whether they had assistance with the study design, data collection, data analysis, or manuscript preparation. If such assistance was available, the authors must disclose the identity of the individuals who provided this assistance and the entity that supported it. Financial and material support should also be acknowledged.)N/A
