

**Manuscript no. HAEMATOL/2010/026237 entitled "Effusion-associated anaplastic large cell lymphoma of the breast: time for it to be defined as a distinct clinico-pathological entity"**

**Authors:** Philip A Thompson, Stephen Lade, Howard Webster, Gail Ryan and H. Miles Prince.

**Information about the contributions of each person named as having participated in the study:**

**1) Guarantor(s)**, i.e., person(s) who is (are) responsible for the integrity of the work as a whole:

- H Miles Prince - [miles.prince@petermac.org](mailto:miles.prince@petermac.org).
- Philip A Thompson - [phillip.thompson@svhm.org.au](mailto:phillip.thompson@svhm.org.au)

According to the International Committee of Medical Journal Editors (ICMJE) ([http://www.icmje.org/ethical\\_1author.html](http://www.icmje.org/ethical_1author.html)): "Authorship credit should be based on: 1) substantial contributions to conception and design, acquisition of data, or analysis and interpretation of data; 2) drafting the article or revising it critically for important intellectual content; and 3) final approval of the version to be published. Authors should meet conditions 1, 2, and 3 ..... Acquisition of funding, collection of data, or general supervision of the research group alone does not constitute authorship".

The guarantors of this manuscript confirm that all persons designated as authors qualify for authorship, and that each author has participated sufficiently in the work to take public responsibility for appropriate portions of the content.

2) Authors who participated in the **conception of the study**: H. Miles Prince, Howard Webster, Gail Ryan, Stephen Lade.

3) **Design & Methods**. The following authors were responsible for specific investigations:

- Philip A. Thompson and H. Miles Prince were responsible for performing the literature review.

4) **Results**. The following authors were responsible for specific portions of the results, including figures and tables:

- Philip A. Thompson was responsible for the schematic diagram, figure 1.
- Stephen Lade and Philip A. Thompson were responsible for the microscope photography and selection of images for figure 2.

5) **Writing the manuscript**. The following authors were responsible for writing the manuscript:

- Philip A. Thompson.
- H. Miles Prince.

6) **Contributors Listed in Acknowledgments**:

The authors would like to acknowledge Moira AS Henrich, for assistance with the graphics software to produce the schematic figure 1.
