

Manuscript no. HAEMATOL/2010/027086 entitled " β -catenin is constitutively active and increases STAT3 expression/activation in anaplastic lymphoma kinase-positive anaplastic large cell lymphoma"

Authors: Mona Anand, Raymond Lai, Pascal Gelebart

Information about the contributions of each person named as having participated in the study

1) Guarantor(s), i.e., person(s) who is (are) responsible for the integrity of the work as a whole:

- Pascal Gelebart, Department of Laboratory Medicine and Pathology, Cross cancer Institute, University of Alberta, Edmonton, Alberta, Canada. pgelbart@ualberta.ca
- Raymond Lai, Department of Laboratory Medicine and Pathology, Cross cancer Institute, University of Alberta, Edmonton, Alberta, Canada. rlai@ualberta.ca

According to the International Committee of Medical Journal Editors (ICMJE)

(http://www.icmje.org/ethical_1author.html): "Authorship credit should be based on: 1) substantial contributions to conception and design, acquisition of data, or analysis and interpretation of data; 2) drafting the article or revising it critically for important intellectual content; and 3) final approval of the version to be published. Authors should meet conditions 1, 2, and 3 Acquisition of funding, collection of data, or general supervision of the research group alone does not constitute authorship".

The guarantors of this manuscript confirm that all persons designated as authors qualify for authorship, and that each author has participated sufficiently in the work to take public responsibility for appropriate portions of the content.

2) Authors who participated in the **conception of the study**: Mona Anand, Raymond Lai, Pascal Gelebart

3) **Design & Methods**. The following authors were responsible for specific investigations (please detail):

- Mona Anand and Pascal Gelebart were responsible for performing the experiments
- Mona Anand, Raymond Lai and Pascal Gelebart were responsible for designing the experiments

4) **Results**. The following authors were responsible for specific portions of the results, including figures and tables (please indicate the person responsible for each figure and each table):

- Mona Anand and Pascal Gelebart were responsible for all the figures

5) **Writing the manuscript**. The following authors were responsible for writing the manuscript:

- Mona Anand, Raymond Lai and Pascal Gelebart were responsible for writing the manuscript

6) **Contributors Listed in Acknowledgments**: Mona Anand is a Clinical Research Fellow of the Terry Fox Foundation through an award from the Canadian Cancer Research Institute (Award # 018019). Pascal Gelebart is a recipient of the Research Fellowship Award from the Alberta Cancer Research Institute. This study is supported by operating grants from the Canada Institute of Health Research and the Alberta Cancer Research Institute awarded to Raymond Lai.
