

Manuscript no. HAEMATOL/2010/036061 entitled "Deferiprone or deferasirox for cardiac siderosis in beta thalassemia major"

Authors: Khaled M. Musallam and Ali T. Taher

Information about the contributions of each person named as having participated in the study

- 1) **Guarantor(s)**, i.e., person(s) who is (are) responsible for the integrity of the work as a whole:
- Khaled Musallam, American University of Beirut Medical Center, Beirut, Lebanon, kmm06@aub.edu.lb
 - Ali Taher, American University of Beirut Medical Center, Beirut, Lebanon, ataher@aub.edu.lb

According to the International Committee of Medical Journal Editors (ICMJE) (http://www.icmje.org/ethical_1author.html): "Authorship credit should be based on: 1) substantial contributions to conception and design, acquisition of data, or analysis and interpretation of data; 2) drafting the article or revising it critically for important intellectual content; and 3) final approval of the version to be published. Authors should meet conditions 1, 2, and 3 Acquisition of funding, collection of data, or general supervision of the research group alone does not constitute authorship".

The guarantors of this manuscript confirm that all persons designated as authors qualify for authorship, and that each author has participated sufficiently in the work to take public responsibility for appropriate portions of the content.

2) Authors who participated in the **conception of the study**: Khaled Musallam and Ali Taher

3) **Design & Methods**. The following authors were responsible for specific investigations (please detail):
N/A

4) **Results**. The following authors were responsible for specific portions of the results, including figures and tables (please indicate the person responsible for each figure and each table):
N/A

5) **Writing the manuscript**. The following authors were responsible for writing the manuscript:
• Khaled Musallam and Ali Taher

6) **Contributors Listed in Acknowledgments**: None.
