

Manuscript no. HAEMATOL/2011/050500 entitled “Mimicking the functional hematopoietic stem cell niche in vitro: recapitulation of marrow physiology by hydrogel-based three-dimensional cultures of mesenchymal stromal cells”

Authors: Monika B. Sharma, Lalita S. Limaye and Vaijayanti P. Kale

Information about the contributions of each person named as having participated in the study

1) Guarantor(s), i.e., person(s) who is (are) responsible for the integrity of the work as a whole: Monika Sharma, Lalita S. Limaye and Vaijayanti P. Kale*
Stem Cell laboratory, National Centre for Cell Science, University of Pune Campus, Ganeshkhind, Pune 411007, India.

According to the International Committee of Medical Journal Editors (ICMJE) (http://www.icmje.org/ethical_1author.html): “*Authorship credit should be based on: 1) substantial contributions to conception and design, acquisition of data, or analysis and interpretation of data; 2) drafting the article or revising it critically for important intellectual content; and 3) final approval of the version to be published. Authors should meet conditions 1, 2, and 3 Acquisition of funding, collection of data, or general supervision of the research group alone does not constitute authorship*”.

The guarantors of this manuscript confirm that all persons designated as authors qualify for authorship, and that each author has participated sufficiently in the work to take public responsibility for appropriate portions of the content.

2) Authors who participated in the conception of the study: Vaijayanti P. Kale

3) **Design & Methods.** The following authors were responsible for specific investigations:

- Monika Sharma performed the experiments, analyzed the data, prepared the figures and wrote the paper.
- Lalita S. Limaye is a co-investigator of the study and participated in writing of the paper
- Vaijayanti P. Kale analyzed the data, prepared the figures, designed the research, obtained the necessary funding and wrote and edited the paper.

4) **Results.** The following authors were responsible for specific portions of the results, including figures and tables

- Monika Sharma, Lalita S. Limaye and Vaijayanti Kale are responsible for all the results included in the paper.
- Monika Sharma and Vaijayanti P. Kale are responsible for all the figures and tables included in the paper.

5) **Writing the manuscript.** The following authors were responsible for writing the manuscript:

- Monika Sharma, Lalita S. Limaye and Vaijayanti P. Kale

6) **Contributors Listed in Acknowledgments:**

Drs. Shirish Yande, R.L. Marathe, Prakash Daithankar and Dilip Ghaisas provided the clinical samples. Ashwini Atre provided the technical help in the image acquisition on confocal microscope. Hemangini, Pratibha and Swapnil provided the technical helping in the sample acquisition on flow cytometers.

Financial support: This work was supported by a grant from the Department of Biotechnology, Government of India, New Delhi (BT/PR10055/MED/31/14/2007).

The authors declare that they did not have any assistance with the study design, data collection, data analysis or manuscript preparation.
