

Manuscript no. HAEMATOL/2011/047670 entitled “Second line salvage chemotherapy for transplant-eligible patients with Hodgkin lymphoma resistant to platinum-containing first-line salvage chemotherapy“

Authors: Diego Villa, Tara Seshadri, Noemi Puig, Christine Massey, Richard Tsang, Armand Keating, Michael Crump, and John Kuruvilla

Information about the contributions of each person named as having participated in the study

- 1) **Guarantor(s)**, i.e., person(s) who is (are) responsible for the integrity of the work as a whole:
- Diego Villa, British Columbia Cancer Agency, dvilla@bccancer.bc.ca
 - John Kuruvilla, Princess Margaret Hospital, john.kuruvilla@uhn.ca

According to the International Committee of Medical Journal Editors (ICMJE) (http://www.icmje.org/ethical_1author.html): “*Authorship credit should be based on: 1) substantial contributions to conception and design, acquisition of data, or analysis and interpretation of data; 2) drafting the article or revising it critically for important intellectual content; and 3) final approval of the version to be published. Authors should meet conditions 1, 2, and 3 Acquisition of funding, collection of data, or general supervision of the research group alone does not constitute authorship*”.

The guarantors of this manuscript confirm that all persons designated as authors qualify for authorship, and that each author has participated sufficiently in the work to take public responsibility for appropriate portions of the content.

2) Authors who participated in the **conception of the study**: Diego Villa, John Kuruvilla

3) **Design & Methods**. The following authors were responsible for specific investigations (please detail):

- Diego Villa was responsible for design, data acquisition, analysis and interpretation
- Tara Seshadri was responsible for design and data acquisition, analysis and interpretation
- Noemi Puig was responsible for design and data acquisition, analysis and interpretation
- John Kuruvilla was responsible for design and data acquisition, analysis and interpretation

4) **Results**. The following authors were responsible for specific portions of the results, including figures and tables (please indicate the person responsible for each figure and each table):

- Diego Villa was responsible for all figures and tables, along with analysis and interpretation
- Christine Massey was responsible for analysis and interpretation
- John Kuruvilla was responsible for analysis and interpretation

5) **Writing the manuscript**. The following authors were responsible for writing the manuscript:

- Diego Villa was responsible for drafting the article, revising it and final approval
- Tara Seshadri was responsible for revising the article and final approval
- Noemi Puig was responsible for revising the article and final approval
- Christine Massey was responsible for revising the article and final approval
- Richard Tsang was responsible for revising the article and final approval
- Armand Keating was responsible for revising the article and final approval
- Michael Crump was responsible for revising the article and final approval
- John Kuruvilla was responsible for drafting the article, revising it and final approval

6) **Contributors Listed in Acknowledgments**: Not applicable
