

Manuscript no. HAEMATOL/2011/049676 entitled “Development and validation of a predictive model for death in acquired severe ADAMTS13 deficiency-associated idiopathic thrombotic thrombocytopenic purpura: the French TMA Reference Center experience“

Authors: Ygal Benhamou, Cyrielle Assié, Pierre-Yves Boelle, Marc Buffet, Rana Grillberger, Sandrine Malot, Alain Wynckel, Claire Presne, Gabriel Choukroun, Pascale Poullin, François Provôt, Didier Gruson, Mohamed Hamidou, Dominique Bordessoule, Jacques Pourrat, Jean-Paul Mira, Véronique Le Guern, Claire Pouteil-Noble, Cédric Daubin, Philippe Vanhille, Eric Rondeau, Jean-Bernard Palcoux, Christiane Mousson, Cécile Vigneau, Guy Bonmarchand, Bertrand Guidet, Lionel Galicier, Elie Azoulay, Hanspeter Rottensteiner, Agnès Veyradier, Paul Coppo; Thrombotic Microangiopathies Reference Center.

Information about the contributions of each person named as having participated in the study

- 1) Guarantor(s)**, i.e., person(s) who is (are) responsible for the integrity of the work as a whole:
- Paul Coppo, Hôpital Saint-Antoine, paul.coppo@sat.aphp.fr
 - Marc Buffet, Hôpital Saint-Antoine, marc.buffet@sat.aphp.fr
 - Pierre-Yves Boelle, Hôpital Saint-Antoine, boelle@u707.jussieu.fr
 - Ygal Benhamou, Hôpital Charles Nicolle, Ygal.Benhamou@chu-rouen.fr

According to the International Committee of Medical Journal Editors (ICMJE) (http://www.icmje.org/ethical_1author.html): “*Authorship credit should be based on: 1) substantial contributions to conception and design, acquisition of data, or analysis and interpretation of data; 2) drafting the article or revising it critically for important intellectual content; and 3) final approval of the version to be published. Authors should meet conditions 1, 2, and 3 Acquisition of funding, collection of data, or general supervision of the research group alone does not constitute authorship*”.

The guarantors of this manuscript confirm that all persons designated as authors qualify for authorship, and that each author has participated sufficiently in the work to take public responsibility for appropriate portions of the content.

2) Authors who participated in the conception of the study: Ygal Benhamou, Cyrielle Assié, Pierre-Yves Boelle, Marc Buffet

3) Design & Methods. The following authors were responsible for specific investigations (please detail):

- Ygal Benhamou was/were responsible for patients recruitment, acquisition of data and manuscript redaction
- Cyrielle Assié was responsible for acquisition of data and manuscript redaction
- Pierre-Yves Boelle was responsible for statistical analysis and interpretation
- Marc Buffet was responsible for patients recruitment, acquisition of data and manuscript redaction
- Rana Grillberger was responsible for anti-ADAMTS13 antibodies exploration
- Sandrine Malot was responsible for acquisition of data and data collection
- Alain Wynckel was responsible for patients recruitment and analysis and acquisition of data
- Claire Presne was responsible for patients recruitment and acquisition and analysis of data
- Gabriel Choukroun was responsible for patients recruitment and acquisition and analysis of data
- Pascale Poullin was responsible for patients recruitment and acquisition and analysis of data
- François Provôt was responsible for patients recruitment and acquisition and analysis of data
- Didier Gruson was responsible for patients recruitment and acquisition and analysis of data

- Mohamed Hamidou was responsible for patients recruitment and acquisition and analysis of data
- Dominique Bordessoule was responsible for patients recruitment and acquisition and analysis of data
- Jacques Pourrat was responsible for patients recruitment and acquisition and analysis of data
- Jean-Paul Mira was responsible for patients recruitment and acquisition and analysis of data
- Véronique Le Guern was responsible for patients recruitment and acquisition and analysis of data
- Claire Pouteil-Noble was responsible for patients recruitment and acquisition and analysis of data
- Cédric Daubin was responsible for patients recruitment and acquisition and analysis of data
- Eric Rondeau was responsible for patients recruitment and acquisition and analysis of data
- Jean-Bernard Palcoux was responsible for patients recruitment and acquisition and analysis of data
- Christiane Mousson was responsible for patients recruitment and acquisition and analysis of data
- Cécile Vigneau was responsible for patients recruitment and acquisition and analysis of data
- Guy Bonmarchand was responsible for patients recruitment and acquisition and analysis of data
- Bertrand Guidet was responsible for patients recruitment and acquisition and analysis of data
- Lionel Galicier was responsible for patients recruitment, acquisition and analysis of data and manuscript reviewing
- Elie Azoulay was responsible for patients recruitment and acquisition and analysis of data
- Hanspeter Rottensteiner was responsible for anti-ADAMTS13 antibodies exploration and interpretation of data, and manuscript reviewing
- Agnès Veyradier was responsible for ADAMTS13 explorations and manuscript reviewing
- Paul Coppo was responsible for patients recruitment, acquisition and analysis of data, study conception and design, and manuscript redaction

4) **Results.** The following authors were responsible for specific portions of the results, including figures and tables (please indicate the person responsible for each figure and each table):

- Ygal Benhamou was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Cyrielle Assié was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Pierre-Yves Boelle was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Marc Buffet was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Rana Grillberger was responsible for table 1 and supplemental tables S1 and S3
- Sandrine Malot was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Alain Wynckel was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Claire Presne was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Gabriel Choukroun was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Pascale Poullin was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- François Provôt was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Gruson Didier was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Mohamed Hamidou was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1

- Dominique Bordessoule was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Jacques Pourrat was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Jean-Paul Mira was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Véronique Le Guern was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Claire Pouteil-Noble was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Cédric Daubin was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Eric Rondeau was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Jean-Bernard Palcoux was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Christiane Mousson was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Cécile Vigneau was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Guy Bonmarchand was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Bertrand Guidet was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Lionel Galicier was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Elie Azoulay was responsible for tables 1-5, Figure 1, supplemental tables S1-3 and supplemental figure S1
- Hanspeter Rottensteiner was responsible for table 1 and supplemental tables S1 and S3
- Agnès Veyradier was responsible for table 1, supplemental tables S1 and S3 and supplemental figure S1
- Paul Coppo was responsible for table 1, -5, Figure 1, supplemental tables S1-3 and supplemental figure S1

5) **Writing the manuscript.** The following authors were responsible for writing the manuscript:

- Ygal Benhamou, Cyrielle Assié, Marc Buffet, Pierre-Yves-Boëlle and Paul Coppo were responsible for writing the manuscript

6) **Contributors Listed in Acknowledgments:**

Patients were recruited with the help of the members of the Reference Center for Thrombotic Microangiopathies (CNR-MAT) (listed in the appendix). We thank S. Thouzeau, S. Savigny (Laboratoire d'Hématologie, Hôpital Antoine Béclière, AP-HP, Clamart), A. de Labarthe (Laboratoire d'Hématologie, Hôpital Saint-Louis, AP-HP, Paris), I. Hauchard (Service de Réanimation, Hôpital de Rouen), M. Baragay (Laboratoire d'Immunologie, Hôpital Saint-Louis, AP-HP, Paris) for technical assistance. This work was funded by grants from the Etablissement Français du Sang (CS/2002/009) and the GIS-Institut des Maladies Rares (GIS MR0428).

The members of the Reference Center for Thrombotic Microangiopathies are:

Azoulay Elie (Service de Réanimation Médicale, Hôpital Saint-Louis, Paris); Bonmarchand Guy (Service de Réanimation, CHU Charles Nicolle, Rouen); Bordessoule Dominique (Service d'Hématologie, Hôpital Dupuytren, Limoges); Buffet Marc (Service d'Hématologie clinique et de Thérapie Cellulaire, Hôpital Saint-Antoine, Paris); Bussel Annette (Unité de Clinique Transfusionnelle, Hôpital Cochin, Paris); Coppo Paul (Service d'Hématologie et de Thérapie Cellulaire, Hôpital Saint-Antoine, Paris); Charasse Christophe (Service de Néphrologie, Centre Hospitalier de Saint-Brieuc); Choukroun Gabriel (Service de Néphrologie, Hôpital Sud, Amiens); Daubin Cédric (Service de Réanimation Médicale, Hôpital de Caen); Deschenes Georges (Service de Néphrologie Pédiatrique, Hôpital Robert Debré, Paris); Fain Olivier (Service de Médecine

Interne, Hôpital Jean Verdier, Bondy); Frémeaux-Bacchi Véronique (Laboratoire d'Immunologie, Hôpital Européen Georges Pompidou, Paris); Galicier Lionel (Service d'Immunopathologie, Hôpital Saint-Louis, Paris); Guidet Bertrand (Service de Réanimation Médicale, Hôpital Saint-Antoine, Paris); Gruson Didier (Service de Réanimation Médicale, Hôpital Pellegrin, Bordeaux); Hamidou Mohamed (Service de Médecine Interne, Hôtel-Dieu, Nantes); Herbrecht Raoul (service d'Oncologie et d'Hématologie, Hôpital de Hautepierre, Strasbourg); Lautrette Alexandre (Service de Médecine Interne, Hôpital Hôtel-Dieu, Clermont-Ferrand); Loirat Chantal (Service de Néphrologie Pédiatrique, Hôpital Robert Debré, Paris); Malot Sandrine (Département d'Hématologie, Hôpital Saint-Antoine, Paris); Mira Jean-Paul (Service de Réanimation Médicale, Hôpital Cochin); Moulin Bruno (Service de Néphrologie, Hôpital Civil, Strasbourg); Mousson Christiane (Service de Néphrologie, CHU de Dijon); Nivet Hubert (Service de Néphrologie Pédiatrique, Hôpital Bretonneau, Tours); Ojeda Uribe Mario (Service d'Hématologie, Hôpital Emile Muller, Mulhouse); Perard Laurent (Service de Médecine Interne, Hôpital Edouard Herriot, Lyon); Poullin Pascale (Service d'hémaphérèse et d'autotransfusion, Hôpital la Conception, Marseille); Pourrat Jacques (Service de Néphrologie et Immunologie Clinique, CHU Rangueil, Toulouse); Pouteil-Noble Claire (Service de Néphrologie, CHU Lyon-Sud, Lyon); Presne Claire (Service de Néphrologie, Hôpital Sud, Amiens); Provôt François (Service de Néphrologie, Hôpital Albert Calmette, Lille); Ramakers Michel (Service de Réanimation Médicale, Hôpital de Caen); Ribeil Jean-Antoine (Service de Thérapie Cellulaire, Hôpital Necker-Enfants Malades, Paris); Rondeau Eric (Service de Néphrologie, Hôpital Tenon, Paris); Schlemmer Benoît (Service de Réanimation Médicale, Hôpital Saint-Louis, Paris); Vernant Jean-Paul (Service d'Hématologie, Hôpital la Pitié-Salpêtrière, Paris); Veyradier Agnès (Service d'Hématologie Biologique, Hôpital Antoine Béclère, Clamart); Vigneau Cécile (Service de Néphrologie, Hôpital Pontchaillou, Rennes); Vrtovsnick François (Service de Néphrologie, Hôpital Bichat, Paris); Wynckel Alain (Service de Néphrologie, Hôpital Maison Blanche, Reims); Wolf Martine (Service d'Hématologie Biologique, Hôpital Antoine Béclère, Clamart); Zunic Patricia (Service d'Hématologie, Groupe Hospitalier Sud-Réunion, la Réunion).
