

Manuscript no. HAEMATOL/2012/072231 entitled "The use of age-dependent D-dimer cut-off values to exclude deep vein thrombosis"

Authors: Angela Hamblin, Karen Cairns & David Keeling

Information about the contributions of each person named as having participated in the study

1) Guarantor(s), i.e., person(s) who is (are) responsible for the integrity of the work as a whole:
• David Keeling, Oxford Haemophilia & Thrombosis Centre, Oxford, UK,
david.keeling@ndm.ox.ac.uk

According to the International Committee of Medical Journal Editors (ICMJE) (http://www.icmje.org/ethical_1author.html): "Authorship credit should be based on: 1) substantial contributions to conception and design, acquisition of data, or analysis and interpretation of data; 2) drafting the article or revising it critically for important intellectual content; and 3) final approval of the version to be published. Authors should meet conditions 1, 2, and 3 Acquisition of funding, collection of data, or general supervision of the research group alone does not constitute authorship".

The guarantors of this manuscript confirm that all persons designated as authors qualify for authorship, and that each author has participated sufficiently in the work to take public responsibility for appropriate portions of the content.

2) Authors who participated in the **conception of the study**: David Keeling

3) **Design & Methods**. The following authors were responsible for specific investigations
• Angela Hamblin was responsible for extracting information from the database, analyzing the data and calculating the values presented in the letter.
• Karen Cairns was responsible for development and maintenance of the database.

4) **Results**. The following authors were responsible for specific portions of the results, including figures and tables
• Angela Hamblin was responsible for generating the results presented in the letter.
• Angela Hamblin & David Keeling were responsible for figure 1 in the letter.

5) **Writing the manuscript**. The following authors were responsible for writing the manuscript:
• Angela Hamblin was responsible for drafting the letter.
• Angela Hamblin, Karen Cairns & David Keeling were responsible for revising the letter and all approved the letter prior to submission.

6) **Contributors Listed in Acknowledgments**: -
