

**Manuscript no. HAEMATOL/2012/082040 entitled “Farnesyl and geranylgeranyl transferase inhibitors: an anti-inflammatory effect”**

**Authors: Giulio Kleiner, Annalisa Marcuzzi, Giuseppina Campisciano, Sergio Crovella**

**Information about the contributions of each person named as having participated in the study**

**1) Guarantor(s), i.e., person(s) who is (are) responsible for the integrity of the work as a whole:**

- Dott. Giulio Kleiner, Ph.D., Institute for Maternal and Child Health - IRCCS "Burlo Garofolo", via dell'Istria 65/1, 34137 Trieste, Italy. E-mail: [kleiner@burlo.trieste.it](mailto:kleiner@burlo.trieste.it)

According to the International Committee of Medical Journal Editors (ICMJE) ([http://www.icmje.org/ethical\\_1author.html](http://www.icmje.org/ethical_1author.html)): “Authorship credit should be based on: 1) substantial contributions to conception and design, acquisition of data, or analysis and interpretation of data; 2) drafting the article or revising it critically for important intellectual content; and 3) final approval of the version to be published. Authors should meet conditions 1, 2, and 3 ..... Acquisition of funding, collection of data, or general supervision of the research group alone does not constitute authorship”.

The guarantors of this manuscript confirm that all persons designated as authors qualify for authorship, and that each author has participated sufficiently in the work to take public responsibility for appropriate portions of the content.

**2) Authors who participated in the conception of the study: Annalisa Marcuzzi and Sergio Crovella**

**3) Design & Methods. The following authors were responsible for specific investigations :**

- Annalisa Marcuzzi was responsible for previous laboratory work

**4) Results. The following authors were responsible for specific portions of the results, including figures and tables:**

- Giulio Kleiner and Annalisa Marcuzzi were responsible for analyzing obtained data
- Giulio Kleiner and Annalisa Marcuzzi were responsible for drawing Figure 1

**5) Writing the manuscript. The following authors were responsible for writing the manuscript:**

- Giulio Kleiner was responsible for writing the article and for English revision
- Giuseppina Campisciano was responsible for writing the article and bibliography

**6) Contributors Listed in Acknowledgments: (Examples of those who might be acknowledged include a person who provided purely technical help, writing assistance, or a department chair who provided only general support. Corresponding authors must declare whether they had assistance with the study design, data collection, data analysis, or manuscript preparation. If such assistance was available, the authors must disclose the identity of the individuals who provided this assistance and the entity that supported it. Financial and material support should also be acknowledged.)** Source of support: This work was supported by an Intramural grant of the Institute for Maternal and Child Health - IRCCS “Burlo Garofolo”, Trieste, Italy.

Disclosure of funding: No funding have been received for this work from any organization.
