

Manuscript no. HAEMATOL/2012/079210 entitled “A detailed evaluation of the current renal response criteria in AL amyloidosis: Is it time for a revision?”

Authors: Nelson Leung¹, Siobhan V Glavey, Shaji Kumar, Angela Dispenzieri, Francis K Buadi, David Dingli, Martha Q Lacy, Suzanne R Hayman, John A Lust, Stephen J. Russell, Steven R Zeldenrust, S. Vincent Rajkumar and Morie A Gertz

Information about the contributions of each person named as having participated in the study

1) Guarantor(s), i.e., person(s) who is (are) responsible for the integrity of the work as a whole: • Nelson Leung, leung.nelson@mayo.edu

According to the International Committee of Medical Journal Editors (ICMJE) (http://www.icmje.org/ethical_1author.html): “Authorship credit should be based on: 1) substantial contributions to conception and design, acquisition of data, or analysis and interpretation of data; 2) drafting the article or revising it critically for important intellectual content; and 3) final approval of the version to be published. Authors should meet conditions 1, 2, and 3 Acquisition of funding, collection of data, or general supervision of the research group alone does not constitute authorship”.

The guarantors of this manuscript confirm that all persons designated as authors qualify for authorship, and that each author has participated sufficiently in the work to take public responsibility for appropriate portions of the content.

2) Authors who participated in the conception of the study: Nelson Leung

3) Design & Methods. The following authors were responsible for specific investigations:

- Leung
- Glavey
- Gertz
- Dispenzieri

4) Results. The following authors were responsible for specific portions of the results, including figures and tables:

- Kumar
- Rajkumar
- Buadi
- Dingli
- Lacy
- Hayman
- Zeldenrust
- Lust
- Russell

5) Writing the manuscript. The following authors were responsible for writing the manuscript:

- Glavey
- Leung
- Dispenzieri
- Gertz

6) Contributors Listed in Acknowledgments: Not applicable
