## AUTHOR CONTRIBUTION FORM

<b>Title</b>	<i>Analysis of outcomes following autologous stem-cell transplantation in adult patients with Philadelphia chromosome-negative acute lymphoblastic leukemia during the first complete remission</i>
<b>First author</b>	<i>Kato H et al.</i>

According to the International Committee of Medical Journal Editors (ICMJE)  
([http://www.icmje.org/ethical\\_1author.html](http://www.icmje.org/ethical_1author.html)):

*“Authorship credit should be based on: 1) substantial contributions to conception and design, acquisition of data, or analysis and interpretation of data; 2) drafting the article or revising it critically for important intellectual content; and 3) final approval of the version to be published. Authors should meet conditions 1, 2 and 3. Acquisition of funding, collection of data, or general supervision of the research group alone does not constitute authorship”.*

**The responsible author of this manuscript confirms that all persons designated as authors qualify for authorship, and that each author has participated sufficiently in the work to take public responsibility for appropriate portions of the content.**

<b>Responsible author</b> ( <i>author responsible for the integrity of the work as a whole</i> )
Name: Harumi Kato
Institute: Department of Hematology and Cell Therapy, Aichi Cancer Center Hospital
e-mail: hkato@aichi-cc.jp

### **Author contributions**

*Please describe the contributions of each author, indicating who was responsible for each part of the study and the preparation of the manuscript (collection of data, experiments, data analysis, generation of figures, interpretation of data, preparation of the text, etc.) :*

H.K., T.K., S.K., S.M., and J.T. designed the study, collected, analyzed, and interpreted the data and wrote the paper. M.K., T.M., K.O., K.I., K.M., M.H., H.S., R.S. and Y.M. interpreted the data and contributed to the discussion. All authors approved the final manuscript. Authors declare no conflicts of interest with the work presented in this paper.
