AUTHOR CONTRIBUTION FORM

Title	PERIPHERAL NEUROPATHY INDUCED BY SUBCUTANEOUS BORTEZOMIB-BASED INDUCTION THERAPY FOR NEWLY DIAGNOSED MULTIPLE MYELOMA
First author	*Annamaria Brioli*

According to the International Committee of Medical Journal Editors (ICMJE)
(http://www.icmje.org/ethical_1author.html):
"Authorship credit should be based on: 1) substantial contributions to conception and design, acquisition of data, or analysis and interpretation of data; 2) drafting the article or revising it critically for important intellectual content; and 3) final approval of the version to be published. Authors should meet conditions 1, 2 and 3. Acquisition of funding, collection of data, or general supervision of the research group alone does not constitute authorship".

The responsible author of this manuscript confirms that all persons designated as authors qualify for authorship, and that each author has participated sufficiently in the work to take public responsibility for appropriate portions of the content.

Responsible author *(author responsible for the integrity of the work as a whole)*
Name: Michele Cavo
Institute: Seràgnoli Institute of Hematology
