Title	<i>Ofatumumab in Poor-prognosis Chronic Lymphocytic Leukemia: A Phase 4, Non-interventional, Observational Study from the European Research Initiative on CLL (ERIC)</i>
First author	Moreno, C (Carol Moreno)

Published in Haematologica

The copyright to this article is transferred to the Ferrata Storti Foundation, owner of Haematologica effective if and when the article is accepted for publication. The copyright transfer covers the exclusive right to reproduce and distribute the article, including reprints, translations, photographic reproductions, microform, electronic form (offline, online) or other reproductions of similar nature.

An author may make his/her article published by Haematologica available on his/her personal home page, provided the source of the published article is cited and Haematologica is mentioned as the copyright owner.

Authors are requested to create a link to the published article on the website of Haematologica (www.haematologica.org). The link must be accompanied by the following text: "The original publication is available at www.haematologica.org". Please use the appropriate URL and/or DOI for the article. Articles disseminated via Haematologica are indexed, abstracted and referenced by many abstracting and information services, bibliographic networks, subscription agencies, library networks, and consortia.

The corresponding author warrants that this contribution is original and that he/she has full power to make this grant. The corresponding author signs for and accepts responsibility for releasing this material on behalf of any and all co-authors. The corresponding author agrees that reproductions (including translations) with commercial intent will require written permission and payment of royalties to the Ferrata Storti Foundation.
