

Haematologica
HAEMATOL/2015/133777
Version 2

A novel mouse model provides insights in the neutropenia associated
with the ribosomopathy Shwachman-Diamond syndrome

Disclosures: KDK is recipient of an FWO postdoctoral fellowship. Her research is funded by an ERC starting grant (334946), FWO funding (G067015N and G084013N) and a Stichting Tegen Kanker grant (grant 2012-176).
