HAEMATOL/2018/187567
Version 1
USE OF DESMOPRESSIN IN THE TREATMENT OF HEMOPHILIA A:
TOWARDS A GOLDEN JUBILEE

Pier Mannuccio Mannucci

Disclosures: In the last three years I received honoraria for invitation to educational activities organized by commercial manufacturers of coagulation factor products used in patients with hemophilia (Bayer, Grifols, Kedrion, Novo Nordisk and Octapharma) . I also acted as scientific advisor for Bayer and Kedrion.
