The child with ITP: to treat or not to treat, is that still the question?

Douglas B Cines and Nichola Cooper

Disclosures: NC received honoraria for speaking engagements and advisory boards for Novartis and Amgen. DBC has received honoraria for participating in advisory boards for Amgen, Dova, CSL Behring, Rigel and Sanofi and has received research support from Syntimmune/Alexion, Momenta and Aplagon.  

Contributions: Both authors contributed equally to the inception and completion of this paper.
