Version 3

Genetic disarray follows mutant KLF1-E325K expression in a  
congenital dyserythropoietic anemia patient

Lilian Varricchio, Antanas Planutis, Deepa Manwani, Julie Jaffray, W  
Beau Mitchell, Anna Rita Migliaccio, and James J Bieker

Disclosures: none

Contributions: LV and AP performed experiments; AP and JJB performed data analysis;  
DM, WBM, and JJ analyzed and assessed patient parameters/data; ARM and JJB directed  
experiments; JJB wrote the paper with input from all other authors.
